### REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: \*\*\*

Claims 1-5 and 16-18 with species (1): (a dithioacetal or dithioketal) are allowed in view of the Amendment to claim 1 and the response to the Office action.

The search is further expanded to non-elected species: (2) orthotrithioformic ester or (3) orthotetrathiocarbonic ester. However, no prior art has been found.

Therefore, claims 1-9 and 16-22 are allowed.

Since the composition of group I is allowed, then the claimed method for making said resin in group II and the claimed devices of group III comprising an optical element prepared by curing said composition would be rejoined also.

Finally, claims 1-13 and 16-22 are allowed.

This application is in condition for allowance except for the following formal matters:

None-elected claims in Group IV, claims 14-15, drawn to monomers containing S must be cancelled in order for the application, claims 1-13 and 16-22 to be allowed..

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably
